

SOCIAL MEDIA VOLUNTEER

The Muse Collaborative is looking for volunteers to help develop and expand our use of social media. Volunteers will compose posts, grow our audience, assist in developing an outreach strategy, and create tools for future volunteers. Individuals interested in this opportunity should have strong communication skills, experience with photography, image editing, and Google Drive, and a love of hip-hop arts and culture. Volunteers must be familiar and skilled with our primary social media outlets:

Primary Platforms

- » Facebook
- » Twitter
- » Instagram

Secondary Platforms

- » Youtube
- » Vimeo
- » Soundcloud

Volunteers are asked to commit to a set amount of time every week for the duration of their service and are expected to volunteer for at least two months. We also ask that individuals attend our events and connect with program participants when possible.

Individuals interested in this opportunity should send a brief description of themselves, their interest in the role, and examples of their past social media to Michael Zier (michael@themusecollaborative.org). Resumes are optional, but welcomed, for this role.

The Muse Collaborative does not discriminate on the basis of race, creed, ancestry, marital status, gender, sexual orientation, age, physical disability, veteran's status, political service or affiliation, color, religion, economic status, or national origin.
